

PUPIL PREMIUM REPORT 2018-19

The Boxing Academy's mission is to offer high quality education and development to the most hard-to-reach young people, realised through the discipline and ethos of boxing.

We are committed to this for all children regardless of background or barrier to learning, in every aspect of academy life. The Key Principles of the Boxing Academy that guide our actions to deliver this are:

CONSISTENCY

boundaries help children feel safe and learn

PERSISTENCE

do not give up, there is always hope

IMMEDIACY

deal with issues as they arise

TOUGH LOVE

discipline and emotional support go hand in hand

CONFLICT RESOLUTION

confrontation offers a chance to grow

CONSEQUENCES

take responsibility for your actions

REWARDS

learn to be successful one step at a time

What is the Pupil Premium?

The Pupil Premium is government money designed to help students who are currently registered for Free School Meals, or who have been registered for Free School Meals within the last 6 years, to do well at school. The children of Armed Forces families and young people who are LAC are also eligible for Pupil Premium funding.

Pupil Premium funding for 2018-19

No of pupils in receipt of PP for the year = 3.5

Total: **£3,272.50**

This total is relatively low is because the BA only receives payments of PP for single registered pupils. All our dual registered pupils are at schools which hold their main registration and that school receives the payment directly. Many of these schools tell us that they use the PP to pay the fee for referral to AP.

However, we carefully monitor the progress and attainment of the PP students to ensure that no child is left behind.

The school spends £3,272.50 of its pupil premium budget on providing enhanced curriculum provision and improving the quality of education.

Analysis of school data shows that vulnerable learners at the Boxing Academy who do not achieve age related expectations do so due to an interrupted early years’ experience and educational journey so far, resulting in a lack of language, confidence and opportunity.

We therefore fund workplace visits, employability trips, cultural visits and buy in expertise for in-house personal development sessions so that all children are able to progress. This commitment to enhancing the curriculum and building cultural capital extends to taking students skiing in the Alps each winter, all of which is paid for by our Foundation.
